## From your President

Folks, another Board Meeting is behind us, and DignityHouston continues to grow, expand and become stronger each day. Here's some of what's going on:

You'll soon see membership flyers for DignityHouston in Montrose area locations and student union buildings around and about.

We will be staffing a table at [El Sabor del Northside](#), an important [neighborhood event](#). Find out even more [here](#).

- Instead of having a booth in the [2016 Houston LGBTG+ Pride Celebration](#), we'll have a parade contingent — many thanks to our accountant and new member (but old friend) Daniel for volunteering to drive his luxury vehicle in the largest such parade in the South.
- We will be "buying" DignityUSA for a day, donating the approximate daily operational cost of DignityUSA. We're doing this as a memorial to Phil Helfrich, our longtime friend and member. You'll get the link to the memorial as soon as it goes up.

There's a more lot going on, just not enough space here to list it. All of that requires **Time, Talent and Treasure**. Be sure to read the [Time, Talent and Treasure](#) article a bit later in this newsletter to see how you can have a boatload of fun; and contribute to these efforts.
